WILDCAT NEWS

September, 2018

CES Wildcats!

It has been a great start to the school year. We have been working to learn new procedures, expectations, and learn about our new friends. We loved the "Buddy Lunch" and plan to do it again this month. I love seeing the smiles on all the faces of our students, teachers, and parents.

We are very excited about our new math curriculum, *Envision 2.0*. It is a great program that has resources for every student, K-5, in our school. Since we are now a 1 to 1 school with every student having access to a Chromebook or iPad, they are sure to love all of the technology that goes with our new math program. Your child will have access to their math textbook and resources at home through their own student portal. They will be able to begin accessing this at home in October. Look for more information to come very soon.

ART with EMILY will start very soon. We need volunteers. **NO** creative skills needed. Let us know if you are available.

Your child might be the one to turn me into a human sundae in October. Sell that cookie dough for a chance to win. All proceeds will go to fund field trips, awards, classroom incentives, reading celebrations, AR store, etc. If you do not wish to sell cookie dough, you may donate to CES.

I am looking forward to a great year! If there is anything we can do for you, please do not hesitate to contact the elementary office.

Sincerely,

Julie Moore

CAMP GODDARD NEWS!

Our 5TH grade students and teachers are gearing up for a few days at Camp Goddard in October. Registration forms have gone out and the **GREAT** news is, it will cost our students **NOTHING** to attend! There is space still available for sponsors. If there are any 5th grade parents interested, let us know. We will have a sponsors

meeting soon.
GO WILDCATS!

COUNSELOR'S CORNER

Over the past few weeks, our friend, Kelso the frog, has been busy visiting our elementary classrooms. He is a little shy, but he is overcoming his fear because the students at Cashion Elementary have been so welcoming! For that, I am grateful!

Kelso is equipping our students to solve small problems when we have conflicts. We have now learned nine ways to deal with difficult situations and will continue to practice these conflict resolution strategies in September.

We are grateful to have such an incredible friend visiting our classrooms to help us become more aware in how we should interact with each other and work together! Thanks Kelso!
