Re: End of year medication pickup

Dear Parent/Guardian,

Please note, all medications, (controlled and over-the counter meds) must be picked up from your child's school office before the last day of school. They must be picked up by a guardian and **WILL NOT BE SENT HOME IN YOUR CHILD'S BACKPACK. All meds remaining on the last day of school will be destroyed.**

Please contact the school nurse if you have questions.

Thank you,

Lori Lukasek, RN
