### ACTIVITY ELIGIBILITY STANDARDS

All student participants must be passing in all classes to be deemed eligible for the next week's activities. This includes athletics, band, FFA, 4-H, and any other extra-curricular activities. A student who is absent on the day of an activity is ineligible to participate. This rule will be enforced at CASHION JR. and SR. HIGH SCHOOL. Students must attend at least one-half day of school to be eligible to participate in a school activity that day or evening. (3 or more periods are considered to meet the allowable time frame). The only exception may be made when the principal has cleared the absence ahead of time and has deemed it necessary to miss.

Students who are involved in extracurricular activities and are not passing all subjects enrolled in at the end of a week will be placed on probation for the next one week period. The failing grade will be determined as if a teacher were giving the student the final grade for a particular class. If a student is still failing one or more classes at the end of their probationary one week period, they will be ineligible to participate during the next one week period. The ineligibility periods will begin on Monday and end on Sunday.

Students who become ineligible for academic credit because of absences, (10 days per semester), also become ineligible to participate in extracurricular activities. Students may regain their eligibility through the petition process at any time during the semester. LOSS OF ELIGIBILITY, DUE TO ABSENCES, MAY BE APPEALED TO THE PRINCIPAL VIA THE APPEAL PROCESS.

Students need to take responsibility for monitoring their eligibility. When they are ineligible and knowingly participate in an extracurricular activity, they will face disciplinary measures which may cause the student to be removed from future events or awards ceremonies honoring the student in the extra-curricular activity where the violation occurred. Students who are academically ineligible may not accompany a Cashion High School team on trips and may not be seated on the sidelines with the team during a school sponsored extracurricular event.

### ACTIVITY TRIPS

Activity trips are an extension of the school program and school day. All rules and standards of Cashion High School are applicable during activity trips. Behavior must be exemplary on all trips. It is important that you represent our school, your family, and most importantly, yourself, in a positive way! Students should make every effort to collect and complete assignments before leaving for an activity trip. In the event that this does not happen, students should check with their teacher the following day to make arrangements to complete all missing work.

# **CASHION PUBLIC SCHOOLS STUDENT HANDBOOK**

## **2023-2024**

### **ALCOHOL/DRUG ABUSE**

Students are prohibited from engaging in the following conduct or activities:

- Smoking, using, and/or possessing tobacco products and/or simulated tobacco products;
- Using, consuming, possessing, or being under the influence of, selling, transferring, distributing, or bartering any alcoholic beverage or low-point beer as defined by state law;
- Using, consuming, possessing or being under the influence of, selling, transferring, distributing, or bartering any narcotic drug, stimulant, barbiturate, depressant, hallucinogenic, opiate, inhalant, counterfeit drug, or any other controlled dangerous substance which is capable of being ingested, inhaled, or absorbed into the body and affecting the central nervous system, vision, hearing, or other sensory or motor function;
- Using, possessing, selling, transferring, distributing, or bartering any drug paraphernalia.

“Presenting” a substance as an illegal or prohibited substance will also be considered a violation of this policy. Violation of the above policy is likely to result in disciplinary action, to include, but not limited to, out of school suspension and the involvement of law enforcement personnel.

### **THE AMERICAN’S CREED**

"I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign Nation of many sovereign States; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes."

### **ASSAULT ON SCHOOL DISTRICT EMPLOYEES**

#### **OKLAHOMA SCHOOL LAWS--Title 21 - 650.7**

1. Every person who, without justifiable or excusable cause, knowingly commits any assault, or assault and battery upon the person of a school employee of a school district while such employee is in the performance of his duties as a school

# CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

employee, is punishable by imprisonment in the county jail for a period not exceeding six (6) months, or by a fine not exceeding Five Hundred Dollars (\$500.00), or both such fine and imprisonment.

2. Every person who, without justifiable or excusable cause, knowingly commits any aggravated assault and battery upon the person of a school employee while such person is in the performance of his duties shall upon conviction be guilty of a felony.

## **ATHLETIC PHYSICALS**

All student athletes must have an annual physical to be eligible to participate in Cashion High School's extracurricular sporting events and/or engage in practice after school hours. Students may engage in the athletic period without a physical as it is part of the curricular program.

## **ATHLETIC LETTERS/CHEERLEADING**

A student athlete or cheerleader who does not complete the competitive season, except in the case where injury and/or sickness prohibit the completion of the season, will not receive a letter for the sport. Students who quit during an athletic season and/or who are released will be assigned to another sport that hour to gain credit for the athletic class, if available.

## **ATTENDANCE**

Attendance is important. We are required by state law to keep an accurate record of attendance of all students. If a student must be absent from school, the parents should call the day before if possible, or the morning of the day the student is absent. If the parent does not have a telephone or fails to call the school, they must send a note back to school with the student stating the date of absence and the reason for the absence. The attendance office number is 433-2741.

Regular attendance is of tremendous value to the pupil as well as to the school. Irregular attendance, regardless of the cause, will not produce satisfactory results. Regular attendance stimulates interest in work and prevents discouragement that comes from being behind in class. A student who has developed the self-discipline necessary to be present in school and on time will have the advantage both in school and on the job in future years.

When a student is absent, instruction, discussion, interactions and other intangibles are lost forever. Habits of regularity and punctuality are good habits to form. In many cases, business firms have refused to employ boys and girls whose school attendance has been poor.

# CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

Students must be in attendance a minimum of 90% to pass or to receive credit for a course taken at Cashion High School during any one semester. All absences will be considered in the 90% attendance requirement except school sponsored activities.

The daily attendance record that is reported to the principal's office by the teacher or his/her substitute will be the official record in figuring each student's eligibility for credit.

Students who feel that extenuating circumstances have caused their absentee rate to extend beyond the allowable percentage may request to have their record reviewed by a review committee to be selected by the building principal.

Students may choose the committee petition process to bring the student back into compliance with the district attendance policy.

Students who exceed the allowable absences in any class will go on a non-credit status. When this occurs, students forfeit their eligibility privileges to participate in extracurricular activities until they become a student in good academic standing.

We, therefore, urge parents to encourage their children to develop good habits and attitudes concerning school attendance. The administration and faculty of Cashion Middle School places a high priority on good attendance. We promise to do all we can to encourage good attendance.

Students must be in attendance 90% of the time to be eligible for extra-curricular activities as specified by the Oklahoma Secondary Schools Activities Association.

State Board of Education policy states that a student may not miss any one class more than 10 times for extra-curricular activities during a given school year. State play-off athletic contests, and /or state and national qualifying events are exempt from the 10 period absence rule as it applies to extra-curricular activities. These are noted in the district's policy and procedures manual.

Students who are late to class beyond the ten minutes allowable for tardies, or leave class and or check out of a class prior to its dismissal by the teacher will be counted absent for that class period.

## ATTENDANCE LAWS AND REGULATIONS

*Title 70-Section 10-105 of the Oklahoma School Code* reads as follows: It shall be unlawful for a parent, guardian, custodian or other person having control of a child

# CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

schools of the district are in session; and it shall be unlawful for any child who is over the age of sixteen (16) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school work, to neglect or refuse to attend and comply with the rules of some public, private or other school, or receive an education by other means for the full term the schools of the district are in session. ## AUDITORIUM BEHAVIOR

Cashion students are expected to maintain the same level of behavior during assemblies as in the classroom. We must always treat the person or persons in charge and the performers in the same way we would want to be treated. Whistling, booing, shouting or hollering is never acceptable. Students are expected to find their assigned seats quickly upon arrival at the auditorium.

Night activities sponsored by Cashion Schools held in the auditorium require that our students who attend observe the same standards of behavior as that expected of them during the normal school day. Students are also expected to observe the dress code when in attendance at evening programs at Cashion Public Schools.

## BICYCLES

### CHEATING/ACADEMIC DISHONESTY

In an academic institution, dishonesty serves to undermine the academic and intellectual integrity of the school and everything education stands for. Cheating will be considered the act or intent of gaining or giving knowledge or information

for an assignment or test answer by fraudulent means. Examples of cheating and academic dishonesty may include, but are certainly not limited to, the following:

- Presenting the work of another person as your own
- Copying information from another student's test, examination, theme, book report, homework, notebook, etc., unless specifically given permission by the teacher to do so. Teachers should provide clear guidance in regards to their expectations for group work and group projects.

# CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

- Plagiarism- using another person's ideas, expressions, or words as your own without giving the original author credit
- Preparing to cheat- Examples of this may include: having in your possession a copy of a test or assignment to be given or having been given by a teacher, using a textbook, notes or other materials without permission during a test or examination, and talking during a quiz, test, or examination.
- Not following test procedures or instructions given by your teacher or test administrator
- Providing another student with information that allows them to cheat, or otherwise provides an unfair advantage over other students.

The penalty for cheating on an assignment or test will be as follows:

- *A zero will be assigned for the first offense and the teacher will notify the parents.*
- *A zero and ISS will be assigned for the second offense. Parents will be notified.*

## CHECK OUT PROCEDURES

**No student may leave school except at regular dismissal time without checking out through the office. If the student knows in advance that he needs to leave school, a parent must phone or come by the office to check out the student. A student who fails to check out (which includes prior parental permission AND signing out in the office) prior to leaving school anytime during the school day may be disciplined for truancy. No student will be allowed to leave school unless a parent has been contacted. Also, during the lunch times, a student's parent must be the one to physically check the student out in the office, unless it can be verified the student is leaving for the rest of the day or attending a doctor or other legal appointment. Checking out students over the phone during the lunch times is otherwise prohibited.**

## CITIZENSHIP

It is each student's responsibility to display qualities of good citizenship. Your best conduct is expected everywhere you go. Cashion High School promotes the application of the concepts of honesty, morality, and courtesy. The values, history and traditions, and the applications of the United States and the Oklahoma Constitutions will be taught and practiced.

Students/parents will reimburse the High School for any damages caused by a student.

## **COUNSELING SERVICES**

Each school has a counselor serving as a support person in partnership with all students, staff and parents to help every child have a successful and positive school experience. As part of the counseling program, classroom guidance lessons are offered on a rotating schedule for elementary and middle school classes. Topics that are taught include bullying prevention, peer pressure, career exploration and study skills. Counselors also see students individually and in small groups.

## **COUNSELOR SUPPORT FOR POST-SECONDARY OPPORTUNITIES**

Be sure to check with your counselor regarding particular colleges and also requirements in your personal interest areas. Seniors should check periodically with the counselor for scholarship information. Many seniors who plan to attend college qualify for a number of scholarship opportunities. Other scholarships may be available on a competitive basis. Students pursuing courses of study for OHLAP will need to see the counselor to ensure they are following course requirements.

**CREDIT FOR COURSES (7TH /8TH Grade)** High school courses, i.e. Algebra I, taken at the elementary school level (7th or 8th grade) will be noted on the transcript along with the grade received. The grade(s) received will be factored into the high school grade point average and high school graduation credit will be awarded. The NCAA does not allow Algebra 1 taken as an 8th grader to count toward its required number of math courses. However, it will still be included on the high school transcript and will count toward meeting the Oklahoma high school graduation requirements.

The extent of any search conducted pursuant to this section shall be reasonably related to the objective of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. In no event shall a strip search of a student be allowed. No student's clothing, except cold weather outerwear, shall be removed prior to or during the conduct of any warrant-less search. The superintendent, principal, teacher, or security personnel searching or authorizing the search shall have authority to detain the pupil to be searched and to preserve any dangerous weapons or controlled dangerous substances, intoxicating beverages, low-point beer, electronic paging devices or missing or stolen property that might be in their possession including the authority to authorize any other person they deem necessary to restrain such pupil or to preserve any dangerous weapons or controlled dangerous substances, intoxicating beverages, low-point beer, electronic paging devices or stolen property. It is unlawful for any person, except a police officer or other person authorized by the Board of Education of the Cashion Public School District, to have in his or her possession while on school property, or while in any school bus or vehicle used by the Cashion School District for transportation of students or teachers any firearm or weapon as designated in section 1272 of school law. Any pupil found to be in possession of dangerous weapons or controlled dangerous substances, low-point beer, electronic paging devices or missing or stolen property may be suspended by the superintendent or principal for a period not to exceed the current school semester and the succeeding semester. Any such

suspension may be appealed to the board of education of the school district by any pupil suspended under this section.

**DEPOSIT OF MONEY** At no time will money be left overnight in the school building. Students and teachers with school money to deposit will turn it into the school secretary during the day collected. Money will not be left in the classroom. If you have funds and the secretary is not available, see the principal who will put the funds in the safe.

### **DIRECTORY INFORMATION**

The school district proposes to designate the following personally identifiable information without prior written consent.

1. The student's name
2. The student's extra-curricular participation
3. The student's achievement awards or honors
4. The student's weight and height if a member of an athletic team
5. The student's photograph.

Within the first three weeks of each school year, the school district will publish the above list, or a revised list, of items of directory information it proposes to designate directory information. For students enrolling after the notice is published, the list will be given to the student's parent or eligible student at the time and placement of enrollment. After the parent or eligible student has been notified, he or she will have two weeks to advise the school district in writing (a letter to the school superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about the student.

### **DISCIPLINE**

The State and Local Boards vest in their school administration the power to establish student behavior rules and regulations necessary to create and preserve conditions essential to orderly operations of the schools. It is the belief of the administration that the most effective discipline is self-discipline. Cashion students are treated as young ladies and young gentlemen and are expected to prove to be such by their actions and by their response to the school society.

## **CASHION PUBLIC SCHOOLS STUDENT HANDBOOK**

### **2023-2024**

The office of the principal is charged with the responsibility of handling such discipline problems as may become serious enough to be referred to the office. However, every teacher is responsible for discipline at all times and in all parts of the building and on the grounds. Teachers have full authority and responsibility to correct student behavior whenever such correction is necessary.

In cases where a student has been unable to adjust to his/her school environment and where his/her behavior has become so objectionable that the problem cannot be resolved otherwise, he/she will be referred to the principal. There, through conferences, every effort will be made to assist the student in overcoming his/her difficulty. Counselors and parents may be called in when it is felt that they can help the student become an acceptable member of the group. If these efforts fail to obtain the desired results, the principal will make a final disposition of the case in line with the best interest of the individual student and the school as a whole.

The Board requires that all school personnel share in the supervision of the students toward desired standard of conduct and supports all personnel acting within the framework of established policy. The Board advocates while education is a right of our youth, it is not an absolute right. It is qualified first by eligibility requirements and secondly by performance requirements. The school must be concerned with the welfare of the group.

It is the desire of Cashion High School and the State of Oklahoma that each school be a safe place for all students. We need your help. You can help by notifying an adult in the building or by calling the Safe Call Hotline at 1-877-723-3225, extension 651, when you have knowledge of drugs, weapons or violent acts in our schools, or other schools. The call is completely anonymous. We simply receive a fax in our central office and we are required to take action on the information we are given.

### **DRESS CODE**

The following Student Dress and Appearance Code is given in order to provide students with clearly defined guidelines for acceptable and unacceptable dress and appearance.

To ensure propriety and good taste in conduct and appearance, students violating the dress code will make immediate corrections if they are to remain in school.

### **DRIVER'S LICENSE**

Students should obtain from the Principal's office the official form verifying enrollment/attendance at Cashion High School and verifying that the student has met the reading requirement prior to visiting the tag agency for a driver's license.

The following reading standards satisfy our state law requirements: Iowa Test of Basic Skills (Grade Equivalent of 8), PLAN (14), or the CRT (State PASS Exam - 70). Students who have not met one of the listed criteria may need to visit with the school counselor for alternative testing opportunities.

### **DROP-OUTS/STUDENTS DRIVER'S LICENSE**

Students who are of the legal age of having a driver's license or eligible to obtain a driver's license are required to be enrolled and in attendance at a public, private or homeschool. Students who drop out or have been placed on a long term suspension will be reported to the Department of Public Safety - When this happens, the Department will request that you turn in your driver's license and your driving privileges will be suspended.

### **DRUG TESTING**

Beginning in the 2005-2006 school year, Cashion High School implemented a mandatory drug testing policy for grades 9-12. Although the Board of Education, administration, and staff desire that every student in the Cashion Public School District refrain from using or possessing illegal drugs, district officials realize that their power to restrict the possession or use of illegal and performance-enhancing drugs is limited.

Therefore, this policy governs only performance-enhancing and illegal drug use by students participating in extracurricular activities. The sanctions imposed for violations of this policy will be limited solely to a student's privilege to participate in extracurricular activities. This policy supplements and complements all other policies, rules, and regulations of the Cashion Public School District regarding possession or use of illegal drugs. A complete drug testing policy will be given to all extra-curricular participants. Any patron wishing to have a copy of this policy can obtain one in the high school office.

### **DRUG-FREE PREVENTION PROGRAM**

Cashion Public Schools has adopted and implemented the following drug prevention program for students with the intention to maintain a drug-free environment:

#### **1. STUDENTS**

A. Cashion Schools has implemented drug, alcohol and illegal substance education and prevention programs for students in grades K-12. It is the intent of the school district to address the legal, social and health problems caused by the involvement of drugs, alcohol and illegal substance use with emphasis on effective measures for resisting peer pressure, use of illegal drugs, alcohol and substances.

B. Students are to be made aware of state and federal laws that impose severe penalties for the use, possession, or sale of illicit drugs, alcohol and substances and their harmful effects.

C. There will be no possession, use or distribution of illicit drugs, alcohol and substances by students on school grounds or any school-sponsored activities.

D. Students who possess, use, or distribute illicit drugs, including anabolic steroids, alcohol and/or substances may incur term suspension. Students are subject to referral for prosecution under applicable laws.

E. Students may receive information concerning drug, alcohol and substance counseling, rehabilitation, and reentry programs from the counselor's office.

F. Copies of this policy concerning the standards of conduct and disciplinary sanctions will be made available to students and parents.

G. Parents and students are to be notified that compliance with the standards of Cashion School drug-free prevention program is mandatory.

H. A biennial review of the drug-free program.

1. To determine the effectiveness of the program and implement needed changes.
2. Ensure that disciplinary sanctions are consistently enforced.

### **DUE PROCESS AND THE RIGHT OF EQUAL OPPORTUNITY**

No rule is in existence, nor is intended to be which would deprive any individual of his "equal protection" under the law without due process. To ensure this, the following policies are in effect:

1. Regulations, rules, and policies regarding due process are available in written form to all members of the faculty and student body.

## CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

2. Students are presumed innocent until guilt is clearly established. Students are entitled to exercise all rights afforded to them by law during a due process hearing.
3. Procedure involving hearing and the right to appeal (such as suspension) are written and available.
4. Student records are open to parents or legal guardians.

### **EARLY GRADUATION**

Beginning with the 2005-2006 school year, Cashion students will be given the opportunity to graduate with honors at the end of the first semester that they meet the local 23 credit graduation requirement. Credit requirements can consist of regular class work, approved concurrent enrollment, approved correspondence, and approved Internet class work, or proficiency based promotion. If students meet all graduation requirements by the end of the semester, the GPA will be calculated for honors at that time.

### **ELECTRONIC/MUSICAL DEVICES**

Radios, stereos, tape recorders, CD players and digital music players are usually a distraction from the normal learning atmosphere of the school. Students are asked to not bring these items or equipment to school or take them on any school activity trip. When such items are visible or heard, they will be confiscated and turned over to the high school principal. They may be taken on activity trips with sponsor permission. The sponsor may suspend their usage at any time.

### **ELEMENTARY CELEBRATIONS (PK-4th grade)**

#### **Class Parties**

Homeroom parent coordinators work with the teacher and parents to ensure an enjoyable environment for all students.

#### **Party Invitations**

Party invitations may be handed out at school, provided that every child in the class receives one.

#### **Birthday Treats**

# CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

Parents are welcome to provide a treat to share with the class for their child's birthday—non food items are encouraged (stickers, stamps, erasers, pencils, etc.). Kindly consider any special food allergies involving any student in the class when selecting treats. Prepackaged, individual servings, plates and/or napkins are required for food treats. The treat will be dropped off at the office. The teacher will be notified and will share the treats with the children at the time of day they deem best. Only store-bought, packaged items with the ingredients listed are allowed.

## **ELEMENTARY STUDENT PICK UP**

Any changes to the dismissal plans for elementary students need to be communicated to the office before 2:00 p.m.

Parents must drop off or pick up their student(s) at school on the WEST side of the building. To ensure the safety of the children, cars must stay in single file and pull up to the curb so that their child may enter without going between cars.

To aid in the flow of traffic, there is NO PARKING ON THE WEST CURB FROM 8:00-8:30 and 3:00-3:30. If you need to come into the building, park in the EAST parking lot. PARKING IN THE EAST LOOP IS NOT ALLOWED AT ANY TIME.

## **EXEMPTION POLICY FOR TESTING**

Semester Test Exemption Policy (Grades 9 – 12) \*AE + AP = TOTAL EXCUSED ABSENCES

- 1) Students may be exempt from any semester test if they meet the attendance and grade requirements.
- 2) Semester exams/projects will count 10% of the overall semester grade. If a student elects to take a semester test but would have been exempt, it cannot adversely affect his/her grade.
- 3) To be considered for exemption, the following attendance and grade requirements must be met:
  - a. 4 excused absences and an A (90% or higher)
  - b. 3 excused absences and a B (80% or higher)
  - c. 3 excused absences and a C (70% or higher)
  - d. Any student with a grade of 69% or below must take the semester test.

## CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

- e. NO UNEXCUSED ABSENCES. Parents have 10 days to provide documentation for an absence.
- f. NO Out-of-School or In-School Suspensions
- g. 5 unexcused tardies in the same class in a semester = 1 unexcused absence and the student must take the semester test in that class
- h. Absences excused by doctor's note (coded AM) will not count against exemptions
- 4) Once testing is complete, students must stay in class until the testing period is over. No early dismissal.

### FERPA RIGHTS NOTIFICATION

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day Cashion Schools receives a request for access. The Parents or eligible students should submit to the School Principal a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parents or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask Cashion Schools to amend a record that they believe is inaccurate or misleading. They should write to the School Principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, Cashion Schools will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational

interests. A school official is a person employed by Cashion Schools as an administrator, supervisor, instructor, or support staff member including health or medical staff and law enforcement unit personnel; a person serving on the Cashion School Board; or a person or company with whom Cashion Schools has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist). A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, Cashion Schools discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Cashion Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office U. S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-4605

## **FIELD TRIPS**

Students must have permission from parents to go on all school trips. Permission may be given on pre-registration/enrollment consent form or by express permission for a specific trip. All students must ride the bus to the field trip location and should return to school on the bus unless checked out by a parent at the field trip location. Many times field trips require extra adult supervision; therefore, no preschool children are allowed to accompany parents on school sponsored trips.

## **FIGHT SONG**

Oh, have you ever heard of C.H.S.?  
Of course you have because we are the best.  
There never was a high school half so fine,  
as dear old C.H.S., the school that I call mine.  
The colors maroon and gold mean victory,  
the one that's always known in history,  
So we may live forever as the best, C.H.S.  
C.-H.-S.

## FUNDRAISING CAMPAIGNS

The Cashion Board of Education must approve any method of raising funds. Each occasion for raising funds must also be approved by the Board of Education. Fund raising of a soliciting nature is to be kept at a minimum. Funds accepted on behalf of the school should be turned in to the sponsor daily. A receipt should be requested to verify this business transaction between yourself and the school.

No student may sell any item (candy or etc.) unless it is from an approved school fundraising project for the high school. No other school fundraising projects are allowed. Disciplinary actions may result from sales which are not approved. If brought to school, such items will be impounded.

### GRADING SYSTEMS

#### CASHION PUBLIC SCHOOLS STANDARDS BASED GRADING SCALE PK-2ND GRADE

**P**

##### **PROFICIENT: YES I CAN!**

The student exceeds mastery of the grade level standards.

##### **DEVELOPING: ALMOST, I NEED MORE TIME**

The student demonstrates mastery of the grade-level standard through solid knowledge and understanding.

**D**

**E**

##### **EMERGING: JUST BEGINNING TO UNDERSTAND**

The student's understanding of the standard is emerging. He/she often needs teacher assistance.

##### **UNSATISFACTORY: NO UNDERSTANDING**

The standard has been taught but remains a challenge for the students. He/she needs teacher assistance.

**U**

When starting a new target, many students have no prior knowledge, and begin at U. As students learn, they can demonstrate partial mastery, and score D. Once they meet a target, they score P.

Pre-Kindergarten through 2nd grade utilize a Standards Based grading system.

A standards based report card highlights the skills a student should master in his/her grade level. Instead of a single overall percentage grade, this type of evaluation breaks down the subject matter into smaller “learning targets.” Each target is a teachable concept that students should master by the end of the course. Throughout the term, student learning on each target is recorded. Teachers track student progress, give appropriate feedback, and adapt instruction to meet student needs. Parents and students have a clear understanding of student progress. Together—teachers, students and parents, can work to address challenges and provide support.

### **HALLS AND BUILDING**

Due to limited time between classes, students are encouraged to limit their visiting in the halls. Please do not leave trash in desks, on the floor, or on the school grounds. Help keep the buildings and grounds clean at all times. The restrooms at Cashion Schools are kept clean and adequate supplies are maintained for the students' use. Cashion students are expected to help keep our restrooms clean and sanitary. Again, Cashion students take pride in excellent facilities. The buildings will be closed at 4:00 p.m. and students are not to be in the building after this time unless they have permission from the principal or superintendent.

### **HARASSMENT, INTIMIDATION, BULLYING**

According to Oklahoma State Law 70 O.S. 20015, bullying, harassment, and intimidation are specifically prohibited “at school.” “Harassment, intimidation, and bullying” means any gesture, written or verbal expression, or physical act that a reasonable person should know will harm another student, damage another student’s property, place another student in reasonable fear of harm to the student’s person or damage to the student’s property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s educational mission or the education of any student. “Harassment, intimidation, and bullying” include, but are not limited to, a gesture or written, verbal, or physical act. Harassment is intimidation by threats of or actual physical violence; the creation by whatever means of a climate of hostility or intimidation; or the use of language, conduct, or symbols in such manner as to be commonly understood to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual. Harassment includes but is not limited to harassment on the basis of race, sex, creed, color, national origin, religion, marital status, or disability. Harassment, intimidation and bullying set forth above may include, but is not limited to the following:

1. Verbal, physical, or written harassment or abuse;
2. Repeated remarks of a demeaning nature;
3. Implied or explicit threats concerning one’s grades, achievements, etc.;
4. Demeaning jokes, stories, or activities directed at the student;
5. Unwelcome physical contact.

# **CASHION PUBLIC SCHOOLS STUDENT HANDBOOK**

**2023-2024**

This policy is in effect while the students are on school grounds, in school transportation, or attending school-sponsored activities or school-sanctioned events, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district.

## **HONOR ROLL**

All students in grades 7 – 12 that earn a 3.50 weighted grade point average (GPA) or higher each semester and no semester grade below a C will be recognized as a member of the Cashion High School Honor Roll for that semester.

## **IMMUNIZATIONS**

Oklahoma law requires students meet certain immunization requirements to be eligible to attend school. If these requirements are not met, the student will not be allowed to attend school. If the student develops an illness after reaching school, an attempt will be made to notify the parent. The school does not diagnose diseases and gives no internal medicine, including aspirin, ibuprofen or acetaminophen. In case of severe injury or broken bones, parents or a doctor will be notified immediately. The school will administer only emergency first aid in case of injury. Title 70, Section 1210.191, Oklahoma Statutes, 1970 requires that parents or guardians of all minor children in grades kindergarten through the twelfth grade for all public, parochial, or private schools in the State of Oklahoma, present a certified copy of required immunizations upon school entry. To be in compliance with this law, students must present proof of (5) doses DPT/DTaP/Td/Tdap, (4) doses Polio, (2) doses of MMR, a (3) dose series of Hepatitis B vaccine, (2) dose series of Hepatitis A, and (1) dose of Varicella. No minor child shall be admitted to any public, private, or parochial school operating in Oklahoma unless the parent or guardian can present to the appropriate school authorities certification from a licensed physician or the appropriate public health authorities that such child has received or is in the process of receiving immunizations required for school entry, or an approved exemption form from the Oklahoma State Department of Health, which is available at the school office. For more information, visit <http://imm.health.ok.gov>.

## **INTERNET, SUMMER SCHOOL, AND CORRESPONDENCE CLASSES**

When it becomes necessary for a student to repeat a class or make up credits for graduation, it is strongly recommended that the student consider summer school. It

## CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

is imperative that a student stays on track for graduation. Students who fall behind in required credits sometimes find themselves unable to schedule all the required credits during the regular school term. Internet, Summer School, and Correspondence classes will be accepted as meeting local requirements for high school graduation as long as they meet the following criteria: 1. First priority will be given to students making failed credits. 2. Classes must meet local and state accreditation standards. 3. Except for make-up classes or extreme schedule conflicts, no Internet, summer school, or correspondence class credits will be given for core classes, which are offered at Cashion High School. 4. All Internet, summer school, or correspondence classes must be approved by the high school principal and superintendent.

### INTERNET POLICY

Internet access is a valuable educational tool when used in the proper manner. As valuable as it is, it also has materials which are not proper and allows students the accessibility to materials which do not have educational value. Students who access materials which are not in support of the educational mission and process of Cashion High School will be denied further access to the internet while in attendance at the school. Parents and students will be asked to sign an Internet Use Agreement form prior to students being allowed access to the Internet.

### ITEMS PROHIBITED AT SCHOOL

The following items are considered dangerous and strictly prohibited from school. Possession, sale, transmission, and/or use of these items may result in discipline, to include out of school suspension, depending on the severity and nature of the offense. Examples of these items include, but are not limited to:

- Firecrackers
- Stink, smoke, or snap bombs
- Matches or lighters
- Weapons of any type
- Firearms (including replicas, ammunition, paint balls or guns, projectiles, etc.)
- Incendiary or explosive devices
- Any objects used or portrayed in a violent manner.

### **JUNIOR/SENIOR PROM**

The Junior/Senior Prom is an annual social function sponsored by the junior class in honor of Cashion High School's senior class. All student members of these two classes are allowed and encouraged to be in attendance. Each member of the junior and senior class may invite and bring a guest. Each guest must be invited as an escort for the evening. Each invited guest that is not a member of Cashion High School (9-12) must be approved by the principal. Guests must be pre-approved 1 week prior to the day of the prom. Students, whose classification is below the 9th grade, are not eligible to be invited or be in attendance. Individuals that are invited escorts are to be under 21 years of age. As a social function, standards for dress would include slacks/jacket, suits, tuxedos, dresses, formals and/or evening gowns. Blue jeans attire is not considered as standard dress. The appropriate footwear would be shoes that may normally be worn with a tux/suit/slacks and a jacket and/or evening gown. Flip-flops, sandals, tennis shoes, and/or work boots would not be considered appropriate for the evening.

### **LEAVING SCHOOL GROUNDS**

## **CASHION PUBLIC SCHOOLS STUDENT HANDBOOK**

**2023-2024**

No student may leave school except at regular dismissal time without checking out through the office. If the student knows in advance that he needs to leave school, a parent must phone or come by the office to check out the student. A student who fails to check out (which includes prior parental permission AND signing out in the office) prior to leaving school anytime during the school day will be disciplined for truancy. No student will be allowed to leave school unless a parent has been contacted. Also, during the lunch times, a student's parent must be the one to physically check the student out in the office, unless it can be verified the student is leaving for the rest of the day or attending a doctor or other legal appointment. Checking out students over the phone during lunch times is otherwise prohibited.

### **LIBRARY**

The library will be opened at 8:25 a.m. and remain open throughout the day, as well as after school for a short amount of time. Students are encouraged to use the library as much as possible. Should a student need to visit the library during class time, the student should be given a hall pass from his/her current teacher. Upon arriving in the library, the student should check in immediately with the librarian to inform her of his or her particular needs.

### **LOCKERS**

Every student who attends Cashion Middle and High School will have the option of receiving a hall locker. Each locker assigned has a built-in lock. Lockers should be kept locked during each hour of the day. Students should refrain from slamming doors. Lockers are to be kept reasonably clean and must not be defaced, such as with stickers or writing, inside or out. Students are to use only the locker assigned to them. All students are responsible for the condition, as well as the contents, of their lockers. The lockers will be issued to you when you enroll. Please keep your lockers closed. If you have any locker trouble, report it to the principal's office. No sharing lockers! No key locks are allowed. The school is not responsible for lost or stolen items. Also, student lockers are subject to search at any time. Lockers must be cleaned at the end of the school year. Students who do not clean the lockers and remove all items will be assessed a cleanup fee of five dollars (\$5.00). Students will not be issued a locker the next year until the fee is paid.

### MAKE UP CREDITS

When it becomes necessary for a student to repeat a class or make up credits for graduation, it is strongly recommended that the student consider summer school. It is imperative that a student stays on track for graduation. Students who fall behind in required credits sometimes find themselves unable to schedule all the required credits during the regular school term.

### MAKE UP WORK POLICY

The make-up policy for all absences shall be one day to make up work for each day missed, up to five days. Beyond five days, arrangements will be decided by the building principal. Teachers have the responsibility to give the student the make-up work assignment on the day of the student's return to class upon the student's request. Make-up work for all absences will be offered to the student upon their request. Each class is a separate experience for the child, therefore a student may request the full number of days missed to make up the work or the student may request the opportunity to complete the assignment or test on the day of their return. Class work assigned before the student is absent will be due on the day the student returns to class. Class work set in advance by specific due date will be due on that date (i.e. term papers, class projects). *However in the case of suspensions, students must request and acquire the work which will be missed during the time of suspension and have it ready to hand in upon return to school. The work must be picked up at the school between 8:00 AM and 8:25 AM on the morning of the period of suspension.*

### MOMENT OF SILENCE

Each morning during our announcements, all students will be asked to stand and offer a moment of silence. This will be done so each student may internalize his or her thoughts and feelings.

### MONEY BROUGHT TO SCHOOL

All money should be sealed in an envelope with the student's name and purpose for which it was sent. At no time will any amount of money be left in the school building overnight by students or faculty and staff members. All school deposits are deposited at the bank on a daily basis.

# **CASHION PUBLIC SCHOOLS STUDENT HANDBOOK**

**2023-2024**

1. Support the schools in requiring students to observe all school rules and regulations and accepting responsibility for any willful misbehavior on their part. Send students to school with proper attention having been given to health, personal cleanliness and neatness/appropriateness of dress.

Students must also conform to school rules at all times when they are on the way to and from school and at school activities at home or away.

**CARE OF SCHOOL PROPERTY:** A modern, fully equipped school building designed for beauty and utility is a part of the heritage of the Cashion Student Body. It belongs to many generations and is not the sole property of any annual group of students. Thus, it is the privilege and obligation of every student to appreciate fully, use carefully, preserve faithfully, and pass to future generations, the building, its grounds and its equipment, without blemish. Anyone who damages or defaces any school property will replace or pay for the property damaged.

## **RULES AND REGULATIONS FOR PARTICIPANTS IN EXTRA-CURRICULAR ACTIVITIES AT CASHION HIGH SCHOOL**

The extracurricular program at Cashion High School includes activities such as the following: Athletics, FFA, BPA, FCCLA, Student Council, Cheerleaders. This list is not

**2023-2024**

all-inclusive; it is only a sample of available activities. It is hoped that as a result of the extra-curricular program, your child will grow physically and emotionally stronger. It is the desire of the school that students should be involved in an extracurricular activity. Through participation in an activity, a student should grow in his/her disciplined efforts, both individually and as a part of a group. Certain standards of social behavior are expected from students participating in an extra-curricular activity at Cashion High since they are more visible representatives of our school and community. As a result of this status, the student should be governed by rules of conduct. Because extra-curricular activities are disciplined activities, students who choose to participate in these activities must be willing to discipline themselves and refrain from certain activities non-participants may be involved in. The following rules and regulations will apply to all organizations at Cashion High School. The following rules will be strictly enforced during the school year; and students are expected to follow these rules during summer activities:

1. No use of tobacco in any form; not only is this harmful to your health but is also against the Laws of Oklahoma for persons under 18 years of age.
2. Use of alcoholic beverages in any form will not be allowed, as this is dangerous to your health and is illegal under the Laws of Oklahoma.
3. Use of Illegal drugs will result in immediate suspension from the organization.
4. Any action that would bring discredit upon our organization, school, or community will result in action being taken by the sponsor.

Students in violation of the above rules will receive disciplinary action at the discretion of administration and in accordance with Cashion Board Policy.

### **RULES AND REGULATIONS FOR USE OF SCHOOL SHOPS**

Students attending school events are expected to represent our school well. After a warning, the offending student will be suspended from the next two events. A third violation will result in suspension from all remaining extra-curricular events for the academic year.

### **SAFE SCHOOLS HOTLINE**

It is the desire of Cashion High School and the State of Oklahoma that each school be a safe place for all students. We need your help. You can help by notifying an adult in the building or by calling the Safe Call Hotline at 1-877-723-3225, extension 651, when you have knowledge of drugs, weapons or violent acts in our schools, or other schools. The call is completely anonymous. We simply receive a fax in our central office and we are required to take action on the information we are given.

### **SCHOOL PHILOSOPHY**

We should strive to develop the individual to the maximum of his capabilities, aptitudes, and interests.

# CASHION PUBLIC SCHOOLS STUDENT HANDBOOK

2023-2024

1. Each student should gain a thorough and useful knowledge of the three "R's" as a basis of all further learning, to help them attain a higher standard of living, and to maintain a position of respect in society.
2. Each student should be taught to think creatively and logically in order that he may rely upon his initiative and judgment, and not be misled by false and untrue propaganda.
3. The students should be taught the importance of their responsibilities as citizens and members of a democratic society.
4. The student should be taught not only to cherish rights and privileges as a free American, but also to respect the rights and privileges of others.
5. Each student's needs for a stable economic future should be met by providing either the actual training necessary for a vocation or by providing an adequate foundation for future training in his chosen field.
6. The student should be encouraged toward an appreciation of the cultural and aesthetic values of life.
7. The student should be encouraged to develop a wide span of interest for the use of leisure time, such as fine arts, hobbies, sports, or other useful activities.
8. The student should be trained to cultivate clean and wholesome health habits, and to develop good spiritual and moral attitudes.

## SCHOOL SPIRIT

School spirit is many things. We can't see or touch it; we can hardly define it. Yet it is the most powerful force we feel in our school.

It is:

- The satisfaction you feel when you have met with success.
- The desire to put honest effort into your school years.
- The loyalty and courtesy you feel toward your classmates, teachers, and visitors.
- The thrill you feel when the "Wildcats" score.
- The hurt you suffer when you see a fellow student cheapen the standards of your school.
- The honor you experience in proudly protecting the good reputation of your school.

**THAT IS SCHOOL SPIRIT--RESPECT IT, GUARD IT, AND HOLD IT HIGH.**

### **SCHEDULE CHANGES**

Approval of the principal and teachers involved must be secured before class changes can be made. Necessary forms are in the counselor's office and are given upon the request of the student. Changes in classes must be made during the first three (3) days of each semester.

### **SCHEDULING STUDENT ACTIVITIES**

Any school group desiring to schedule a meeting, etc. should check and secure the approval of their sponsor. The sponsor then should check with the principal who may give his approval and schedule the event on the school calendar. All requests for such school activities should be made at least one week before the activity is to take place when possible. All activities must be scheduled on the master calendar by submitting a request for the activity on the calendar request form.

### **SCHOOL SAFETY**

Students and faculty will participate in fire drills, tornado drills, intruder drills and lockdown drills throughout the year. Each classroom is equipped with written procedures to follow during these situations. Teachers are responsible for conveying this information to students. Students are responsible for knowing this information and following the procedures in a very disciplined manner, whether it be a drill or a true emergency.

### **SEARCHES INVOLVING STUDENTS**

The School Board and Administration reserve the right to search student's personal belongings, lockers, vehicles and person as allowed by federal and state law. Students and parents need to be aware that students themselves, their personal belongings, lockers, and vehicles will be searched in the event the Administration suspects the unauthorized use of tobacco, alcohol, drugs, weapons, etc. We also cooperate with the Cashion Police Department as they occasionally help us with random searches. The following paragraphs are excerpts from statute that further outline student privacy and student searches: "The superintendent, principal, teacher, or security personnel of any public school in the State of Oklahoma, upon reasonable suspicion, shall have the authority to detain and search or authorize the search, of any pupil or property in the possession of the pupil when said pupil is on any school premise or while in transit under the authority of the school, or while

attending any function sponsored or authorized by the school. The principal, teacher, or security personnel searching or authorizing the search shall have authority to detain the pupil to be searched and to preserve any dangerous weapons or controlled dangerous substances, intoxicating beverages, non-intoxicating beverages, or missing or stolen property that might be in their possession including the authority to authorize any other persons they deem necessary to restrain such pupil or to preserve any dangerous weapons or controlled dangerous substances, intoxicating beverages, non-intoxicating beverages, or missing or stolen property.” “Any pupil found to be in possession of dangerous weapons, or controlled dangerous substances, intoxicating beverages, non-intoxicating beverages, or missing or stolen property may be suspended by the superintendent or principal for a period not to exceed the current school semester and the succeeding semester. Any such suspension may be appealed to the board of education of the school district by the pupil suspended under this section.” “Pupils shall not have any reasonable expectation of privacy towards school administrators or teachers in the contents of a school locker, desk, or other school property. School personnel shall have access to school lockers, desks, and other school property in order to properly supervise the welfare of pupils. School lockers, desks, and other areas of school facilities may be opened and examined by school officials at any time and no reason shall be necessary for such search. Schools shall inform pupils in the student discipline code that they have no reasonable expectation of privacy rights towards school officials in school lockers, desks, or other school property.” (70-24-102) Cashion High School will periodically hire outside agencies to search student lockers, student automobiles, and classrooms pursuant of drugs, weapons, and materials that may be explosive and harmful in nature. These agencies will use trained canines for this purpose. Contraband found will be used to determine proper consequences as per the expectations of the school. Items found may be turned over to the local or county legal authorities.

### **SEMESTER EXAM POLICY**

Semester exams shall be comprehensive and uniformly weighted in all classes taught at Cashion High School. The semester grade shall be determined by calculating semester work at 90% and the semester exam at 10%. All students, grades 9-12, will take semester tests unless exempted.

### **SNACKS, CANDY AND SOFT DRINKS**

### **SOCIAL MEDIA**

Cashion Public Schools utilizes social media to provide information, showcase students and staff, and engage the school community. The district, student organizations and school sites have accounts on several social media platforms. Our practice is to allow comments and reactions as long as they do not include obscene, defamatory, profane, libelous, threatening, harassing, abusive, hateful language or content that is embarrassing to another person or entity. This includes, but is not limited to, comments regarding Cashion Public Schools, our employees, partners, students, teachers, parents, staff, and administrators. We do not allow personal attacks on employees, authors, parents, vendors, or stakeholders.

Pictures and information about school events and instructional activities will be posted on these accounts. **Parents should notify the school in writing if they have an objection to their child's picture or video being posted through any of these social media accounts.**

Parking lots are "off limits" to the student body during the school day. Speeding and reckless driving will not be tolerated. Violations of driving or parking rules may result in the loss of the privilege of bringing an automobile on the school grounds. Only licensed drivers are permitted to use school parking facilities. Students must register their vehicles with the school administration. Decals will be issued and must be placed in the lower left hand side of the vehicle's rear window. Student vehicles on campus that are not properly registered and do not have a parking decal will be subject to being towed.

2023-2024

## **TARDY POLICY**

Punctuality is a habit which is established early in life. Punctuality often means the difference between success and failure. To aid in punctuality, the following policy has been established: Teachers will warn students after the 3rd tardy and assign lunch detention after the 4th tardy in the same class in a semester. After the 5th tardy in the same class, the student will be assigned two lunch detentions.

- 4th tardy in any class will result in lunch detention
- 5th tardy in any class will result in two lunch detentions and students must take a semester test in that class.
- Tardies in excess of 5 in any class will result in further discipline including, but not limited to, detention, In-School Intervention (ISI), Saturday School, and/or suspension.

Teachers will document ALL tardies in the computer and then submit a discipline referral to the Dean of Students for the 4th tardy and each subsequent tardy. Tardies will start over at the end of the first semester.

## **TELEPHONE**

Students will not be called to the telephone, except in case of an emergency. Important messages will be delivered. Students will not be excused from classes to make telephone calls. Phone calls should be made before school, during lunch, and after school. Students should not be using the phone during class time.

## **TEXT MESSAGING/TELEPHONE CALLS/E-MAIL**

Students shall refrain from contacting district personnel for any reason other than a school-related matter.

## **TITLE IX AND SECTION 504 RULES**

It is the policy of the Cashion Public Schools to provide equal opportunities without regard to race, color, national origin, sex, age, qualified handicap or veteran in its educational programs and activities. This includes, but is not limited to, admissions, educational services, financial aid, and employment. Inquiries concerning application of this policy may be referred to the Superintendent of Schools. Cashion Public Schools, 101 N Euclid Drive Cashion, Oklahoma 73016. Telephone number 405-433-2741.

### **TRANSPORTATION/SCHOOL ACTIVITIES**

Students are required to ride the bus or the school furnished transportation to all away extra-curricular and athletic contests, unless their involvement in another school sponsored activity prevents them from leaving when the bus leaves. In that case provisions must be made ahead of time with the sponsor and/or coach for transportation of the student to the athletic contest or the other school sponsored activity. Students are required to ride the bus to and from the athletic and extracurricular contest unless one of the following provisions has been met:

1. Parent or legal guardians only may take responsibility for the transportation of their children home, after notifying in person the coach, sponsor or principal and signing the release form.
2. Realizing there are extenuating circumstances that may occur that would have bearing on the rules, these (any changes) must be approved by the administration prior to the event.
3. In all other cases, students are required to ride the bus home. These rules are not intended to put a hardship on any student or parent, but are for the sole purpose of ensuring the safety of the student and protecting the liability of the school, coach, administration, and Board of Education.

### **TRUANCY**

Any student is considered to be truant when the student leaves school without being officially checked out in the office by the principal, or a designee. Checking out includes both signing out and the office being made aware by the parent/guardian, in advance, of the need for the student to check out. Truancy may also be further defined as any time a student is not where he or she is supposed to be.

Truancy/unexcused absences are a very serious matter. A student is truant from school without permission from either the parent/guardian and/or the school. The following constitute other examples of truancy/unexcused absences:

1. Leaving school without checking out through the office
2. A student that is verified to be on campus during class time but absent from class without staff permission is truant. A parent phone call cannot excuse this type of absence.
3. Becoming ill and going to the restroom and never reporting to the attendance office, a teacher or a principal

## VISITORS

It is the policy for all visitors to report to the office, state the nature of their business and obtain a visitor's pass before proceeding to any other section of the building. This lets us know that a visitor has checked in through the office. This policy is for the safety and protection of our students, as well as instructional time. Visitors with school related business are always welcome. A visitor's pass is also needed for cafeteria visitation. We do not allow student visitation, except under very special circumstances (e.g. an older sibling on leave from the military). Former students wishing to visit teachers should call in advance to make an appointment with the particular teacher

## WIRELESS COMMUNICATION DEVICES

It is the policy of the Cashion Board of Education that a student may possess a wireless telecommunication device while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school. Students are not to use these devices without consent of the sponsor or administration. While realizing that cellular phones, like other devices, provide excellent means of communication and connection between students and parents outside of school hours, their use during school is in conflict with our stated mission of focused educational opportunity during the school day. **Parents needing to contact students during the day should leave messages with the office.** Please do not disrupt your student's academic day by calling or texting your child. Cell phones are not to be used or even turned on during classroom or passing time. **Students may only use their phones before the first bell rings, after the last bell rings, and during lunchtime.** During all other times, phones must be turned Silent and Away. They may not be turned on and may not be turned to silent. Students in concurrent enrollment, or other alternate schedules are still held to this same procedure any time they are on the high school campus. Students whose phones are found to be on (to include ringing, vibrating, "checking the time", etc) or who attempt to otherwise use them during school hours will have the device confiscated and brought to the office. The consequences will likely be as follows:

- 2 nd offense – detention and parent may be required to pick up phone
- 3 rd offense – ISI and parent will be required to pick up phone

Upon reasonable suspicion of the misuse of the device, the superintendent, principal, teacher, or security personnel shall have the authority to detain and search, or authorize the search of, any student or property in the possession of the student for unauthorized wireless telecommunication devices. Students should be aware that the sending of nude or obscene emails or photographic text messages by one minor child to another individual is illegal.
